

TECHNICAL DATA SHEET

Product Name: WINDSHIELD CLEANER (1:100)

Product Description:

Windshield cleaner is perfect for all glass surfaces, from windows and mirrors to windshields. Specially formulated with advanced cleaning agents, our powerful formula effortlessly cuts through dirt, grime, and fingerprints, leaving your glass surfaces sparkling like never before.

Features:

- Glass cleaner for windows & glass surfaces.
- Streak free shine.
- Removes dirt, dust, fingerprints, grease, oil and grime with no left-over residue, no streaking and no fuss.
- Improves visibility for safe driving.

Application Process:

1. Dilute the product in the prescribed proportion.
2. Work in a small area at a time to ensure efficient cleaning without the cleaner drying up. Mist a light layer of windshield cleaner over the surface. Wipe away any dirt, grime, or debris with the Tonyin glass towel.
3. Next, change a new towel and buff away any streaks to restore a crystal-clear shine to the windshield.

TECHNICAL DATA SHEET

4. Repeat steps 2-3 to the rest of the windshield.

Notes:

- Keep away from eyes and mouth. If it comes into contact with eyes, rinse immediately with water for 15 minutes and seek medical attention.
- Keep out of reach of children.
- Store in a cool, well-ventilated environment. Avoid freezing and direct sunlight.
