

## TECHNICAL DATA SHEET

**Product Name:** INTERIOR QUICK DETALER

**Product Description:**

Interior QD is a quick and easy to use, antistatic and antimicrobial interior detailing spray! Interior QD can be used throughout the cockpit on nearly any surface to easily remove fingerprints, dust and light soiling. Not only is it super easy to use but also inhibits the electrostatic adhesion of dust particles.

**Features:**

- Leather & vinyl cleaner and conditioner.
- Contains UV inhibitor to retard sun fading.
- Uses finest natural oils to penetrate, soften and lubricate the leather.
- Rebuild and restore lost protective topcoating.

**Application Process:**

1. Prep interior surfaces to remove any loose dirt and soils.
2. Shake well. For concentrated products, dilute the product in the prescribed proportion.
3. Mist Interior QD directly onto plastic, vinyl, rubber, glass or leather surfaces in a steady, even layer.
4. Using a fresh clean microfibre towel spread evenly over the area.
5. Flip the towel to a dry side and buff until clear and haze free.
